Training The Awards and Recognition night replaced the December training. We return to training in early January. Our last training was on the writing of non-moving violations. There was a drawing for two twenty-five dinner certificates from Buffalo Wild Wings Restaurant on Tittabawassee. Kelly Curnutt and new reserve Donny McCloskey received those certificates. We hope to do a dinner certificate drawing at the January training.

New Reserves Donny McCloskey now has his uniform and Joseph Shamon will have his uniform this month. It is great to have them with the unit.

Grant: The Saginaw Community Foundation grant meeting is in the first week of December. We look forward to good news from the foundation on that grant request. The foundation will be contacting us by mail before December 25, 2012.

Finance Committee: The raffle ticket sales for a Rememington 870 Express Combo shot gun ended December 13th. The drawing was held at 5:00pm at 612 Federal, Saginaw Michigan, on December 15th. Larry Lauletta won the first prize and Danielle Nordbrock won the second prize. The gun is from Dick Williams Gun Shop on 4985 Cole Road in Saginaw. The second prize was a \$75.00 gift certificate for Gander Mountain. The raffle was a successful fundraiser. We would like to thank all of those who helped in selling the raffle tickets.

Vehicles: We now have three reserve vehicles. We will be using them for ticket writing throughout the city in the coming months. We will be looking at doing this in the same way we fill the summer details. We will be using the cameras to verify the tickets written.

Awards and Recognition Dinner: It was held at the Anderson Enrichment Center and the food was catered by the Savoy Restaurant, 127 S. Franklin Street. The food and service was excellent. The event activities were led by Sergeant Bob Ruth. Dinner was at 7:00pm with thirty-eight people attending including our guest speaker, State Senator Roger Kahn, who spoke at 8:00 pm. It was great to have the senator with us as well as Chief Gerald Cliff, Mayor Pro-tem Browning, Assistant City Manager and Safety Director Paul Ludos and from Delta College Police Department, Sergeant Mike Jarabek and his wife Shelly. Chaplin John Bommarito delivered the invocation. Recognition Awards were presented by Sgt. Ruth. Reserve Sergeant Kelly Curnutt was selected as the Reserve Officer of the Year. The evening ended with the drawing of more that thirty seven door prizes.

Door Prizes for the Awards and Recognition evening were contributed by these local businesses that helped make an outstanding event.
